These the roles are very important to the overall running of the club and the Chair thanked everyone for their commitment past year and for their offer to continue this year again in the same roles.

Role	Role Holder
Sportive Lead Organiser	Paul Zarb
Child Wellbeing & Protection Officer	Kathryn Baker
Fife Cycling Association (FCA) co-ordinator	Paul Maddocks

Club Subscription Fees

The Club's annual Subscription fees have been unchanged at £10 since the club was founded.

No other proposed price changes submitted so fee remain at £10 for adults and £5 for juniors

Club Constitution

Update to the club constitution was submitted but later agreed by all, that not enough time had been given for members to consider and review the changes prior to the AGM.

Decision was taken to update prior to the 2025 AGM with sufficient time for members to review.

Bike Boxes

Two bike boxes have been purchased following the approval of the committee for club members to have the use of.

Conditions of usage still to be reviewed and published by the Committee.

Kinross Cycling Club

A.O.B

- Miriam raised the question of free/subsidised kit for members who race in KCC kit at BC affiliated events.
This was discussed and decided upon at the March 2023 meeting, and a formal reply should have been sent but unfortunately wasn't.
The new committee will discuss at the first meeting and reply to Miriam.
- Brad Oliver promoted a gravel ride (A Sunday in Hell) on 31/03/2024. Kelty Community Centre is booked and Brad is looking for volunteers to help give out tea/coffee. Donations of baking are also welcome. All funds raised for Greyhound Rescue Fife.
- Iain Riddell proposed having an evening meal again for the awards ceremony. Dwindling numbers was the reason it was stopped after covid but open to the idea of an evening meal in the future.

1st Committee meeting

The date for the 1st meeting of the new Committee meeting was agreed as 25rd March 2024 @ 19:00

AGM Meeting was closed at approx. 9pm

Appendix A (KCC Review of the Year 2023/24)

2023 Annual Report

2023. Covid firmly in the long grass now, back to a full calendar of events, and club activities, we welcomed 183 members to purple and yellow this year.

Scottish World Champs

Not every year do you have the World Championships on your doorstep, but we had this luxury in August. It was great to see cycling royalty up close in the wide variety of disciplines that we were treated to. And three of our very own partook in the events, well done, Abigail, Ken and Norman. And to all those that went to spectate or volunteered.

Sportive

Our very own Perth and Kinross mega-event, the Kinross Sportive was yet again a grand success. Good weather, brought a good turnout, and many smiles. It really is the item that puts KCC on the cycling map. Our thanks to David and his team putting on a great show once again.

We also hit quite a milestone, crossing the £100,000 mark raised for CHAS. Not to mention the smaller donations and groups that get KCC support each year, it should make each of us proud wearing Kinross CC on our backs.

Club Events

The mainstay of our club, the weekend rides rolled on throughout the year. We've got quite a few now on Saturdays and Sundays, but now regular and seasonal slots like Monday night gravel, and the Chain gang that started last summer.

Specials, such as the away days, and "beginners" tons have been popular and encouraged folks to stretch their comfort zone a little and have fun doing so.

We ran our club time trial series again on Thursday nights. More focussing more on 10 miles this year, but a couple of others to keep the variety. PBs were made, some course records broken, and some set for the very first time as we juggled roadworks early in the year. The series really is a nice introduction into riding against the clock, and yourself, in a friendly and welcoming way.

Thank you to every ride leader, group organiser, TT timekeeper, and everything in between.

Purple and Yellow afar

KCC members always get up to a variety of events and adventures on two wheels, 2023 wasn't any different. Be it Dirty Reiver, Ten under the Ben, National Closed Circuit TT Championships, the Swiss Ultra Cycling Challenge, and cycling South America coast to coast were just a few that I spotted.

Not quite as far away or as exotic, KCC always plays a big part in the FCA Midweek TT series held most Wednesday evenings through the summer. Well done all members that participated there, and all the volunteers that helped keep those events running.

Kinross Cycling Club

Absences

Unfortunately we said goodbye to two well-loved members in the last year, Scott Waller and Sandra Currie. Both long time members who will be greatly missed by all that knew them.

Volunteers

Clubs like ours rely on volunteers to organise, and generally run the events we hold and participate in. A huge thanks to every one of you that gave your time this year to see the success of our initiatives, or our riders in related events.

And to your committee of 2023; Fran, Graham, Jane, Maggie, Neil, Paul, and Tim always working away behind the scenes for the benefit of the club.

Roundup

Our awards event at Fife Cycle Park celebrated successes throughout the club, and we had some cycle park fun (and cake) too. Whether you were able to attend or not, I hope you're able to share some of the success of your fellow members.

Whether you rode your first club run, time trial, completed your first century, or first time off (or on!) road, well done to every one of you. At the end of the day it's all about getting out, and having fun, on the bike. And I think we did in 2023.

What've you got planned for 2024?

/Richard Sanderson - KCC Chair - March 2024
