Well done to all !!! **John M** time keeper

Weather very warm and muggy...showers all day but stayed reasonably dry for the event.

Only 18 turned out!! 4 down on last year? European Football semi-finals???

So, plenty of GP points up for grabs.

Thanks to: - **John McKay** for being official starter....**Paul Zarb** for steady hands as pusher.

Dave Easson with help at Finish

thanks from all riders to: - **Angus & Paul** for sweeping various parts of the course.

Congrats to Andy Bruce. Looks like the gold standard is a sub 40 for this hilly and somewhat technical course.
