Back to the correct finishing point this year and so the full 10 miles.

This was also our best turn out of the year with 34 riders taking part. Well done to Donnie on besting current champion Andy Bruce by 4 seconds, and on a borrowed bike as well! Donnie also set a new course record of 24:35, down from 27:07.

Once again very big thanks to John M for setting every thing up and timing the event. Thanks also to club Chairman Paul Z who performed the starter / pusher off duties using the infamous "rear hold" position.

We now have a summer break with the next event being the 2nd Loch Leven TT on the 14th August.
