17	Jenny Shanley	F Snr	00:12:39	34
18	Jane Timperley	F SVet	00:12:48	33
19	Rory Maddocks	M Jun	00:15:03	32

*Kinross Cycling Clubs*

*Event number 9 of 10 in the KCC Grand Prix series*

*The famous 'Cleish Hill Climb'*

28th August 2014

*After a day of warm weather and mega downpours, again of biblical proportions, the weather cleared to give a fine and pleasant evening with little wind.*

*The first notes of autumn were in the air and the temp soon cool but not so much to stop riders stripping down to skin suits and running vests????*

*Only 19 members turned out for the Cleish Hill challenge so loads of GC points were up for grabs.*

*3 riders broke the 8 min mark with Andy still coming out on top even with cruising across the line.*

*It was great once again to see a strong ladies turn out with Margy Thompson all in black coming out on top and close to dipping under the 10 min barrier.*

*Ex-hill climb champion Stuart McElroy seems to be coming back into form but has probably left it a bit late in the session to make maximum impact. Donnie and Nick swapped places from last night FCA hill climb event at the mighty Purin Den and still had lungs left to cheer others across the line*

*Thanks to Paul Zarb for starting and signing etc and to Collin Morrison for bringing his patrol car with superb graphics and his generally giving the event a police presence*

*A grand evening out! Well done to all!*

*See you next week for the blue ribbon event.. the 'one mile sprint'.*
