*On a near perfect evening, 16 riders turned out to battle the hilly TT. The route was as tough as ever with plenty of thrills along the way from dropped chains (Andy Bruce) to a poorly cat needing attention (Jane Timperley). All were counted out and counted in, with a good show by all. Well done to Andy Bruce, Paul Maddocks and Gregor Malcolm taking 1st, 2nd and 3rd respectively.*

*A big thankyou to all our volunteers who turned out in numbers to help make the night a good one. It is without the volunteers that we would not be able to run these events. If you have not yet volunteered, why not come along to the next event and pitch in. Grant Young will be giving a masterclass on 'pushing off' and demonstrating the new UCI approved hold, 'The Grant'.*

*Can I remind everyone of the introduction of the rule on back lights for this seson. All participants MUST display a working rear light on there bike. As we are now 4 events in, no light, no ride.*
