On a barmy summers evening, the balado sign on sheet filled up early with 17 members eager to take their chance on this scenic 10 mile course. The weather was kind with hardly a breath of wind as the clock counted down to 7.01. The weather held with a slight tail wind to spur on tired legs along the final mile, with everyone digging deep for that final

push across the line.

Despite a slight wrong turn at one point, Erik Lornie managed to secure the win for the evening, seperating the joint second placed riders of Jon Witham and Stuart McElroy by only 5 seconds, quickly followed by Grant Young taking third place.

Well done to everyone who took part tonight, it was great to see a few more members out tonight, on what is normally a lower turn out during the holiday period.

A massive thankyou to all our helpers and marshalls who helped to make it a great event. We really can't do this without your input.

Starter / Pusher - Paul Maddocks / Norman Ellis

Marshalls - Malcolm Adams / Claire Simpson

Time Keeper - Wayne Roberts

Spotter - Amanda Corica
