23	Norman Ellis	M Vin	Volunteer	NONE

CYCLING CLUB

On a near perfect evening, 23 members turned out to take part in the final hill climb of the season. Some rode, some marshalled, but all enjoyed a warm evening on Cleish hill. The road chippings had bedded in nicely, providing an even surface to battle up the hill. It was great to see so many out, with young Gregor Malcolm leading the pack home with Stuart McElroy and Erik Lornie taking second and third respectively. Carolanne Cappie lead the women home with Kirsty Ellis and Miriam Rennet again taking second and third.

Thankyou to all our helpers who set up and marshalled a safe route for the evening. We can't do this without your help.

Next week, Tuesday 25th August, it is the turn of the 5 mile sprint. We hope to see you all out again.
