Well done to Basil setting the top time tonight, in the 35s. Struan first junior, and on the podium. Miriam first lady.

13 riders had signed up which dropped by one when Captain Maddocks withdrew to be replaced by the arrival of Basil. The weather was pleasant, light rain before the start for a slightly dull evening. A generous westerly wind impeding riders progress on the way out. Rachel Payne kindly took on the role of sole Marshall at the turn with the arithmetically adroit Neil Curr managing the timing.

Well done to Paul H on his first event, and taking the standard on the night. With three events done, and one to go (Balado 10m on 4th August) it's tight at the top, Miriam and Norman both on 295 points.
