A field of 15 took on the triangle tonight, chilly with an easterly breeze, to be faced twice, but still some great times. Tim took the overall on 24:20, and new member Ashleigh leading the female field on an impressive 26:50. Mark smashing the road bike around in 25:39.

Apologies for the mix up of the times at the end - a few riders crossed the line in quick succession and the times didn't quite get in to the right boxes first time! Shout if anything doesn't match what you expect on your head unit, but we think we've got it sorted now :)

See you in a couple of weeks for the Loch Leven.
