Kinross Shire Trishaws & Community Cycling Presentation:

- Kirsteen Ross (a non KCC Committee member) presented to the committee background to this charity for which Kirsteen is the Chair. The presentation didn’t just list the types of cycling rides the charity delivers but instead took a more holistic approach covering how different elements—like your mind, body, spirit, emotions, and environment—work together as a complete system, rather than focusing on just one aspect.
- Interesting discussion regarding future links including lobbying for safe cycling routes link Kinross shire communities.
