Kinross Cycling Club

Kinross Cycling Club Committee Meeting
17th Sept 2025, 18:45
The Kirklands, Kinross

Present: Maggie Shearer, Graham Millar, Linda Martin, Jane Timperley, Fran Tierney, Richard Sanderson, Neil Curr, Brad Oliver **Apologies:** George Stanley	
Minutes of previous meeting: - Previous minutes (17th July 2025) were approved	
Secretary • BC Affiliation is now open; BC have again changed the process; it appears to be more work that last year ?	**Maggie**
Membership • No issues, membership stands at 164	
Treasury • Not much activity with finances, Sportive 2025 bills have been paid and bank balance figures were conveyed to the committee. • Sportive entries to open soon so expecting the usual flurry of activity	
Sportive Neil & Graham (who re-joined SK organisers this year) updated the committee with various details for SK 2026 • A provisional budget has been produced by David M & Neil, the first SK meeting will focus to reduce costs without drastically reducing the quality of the SK experience • Price has risen to £38 for General entries, £30 for KCC Members • Graham is setting Entry Central for all SK entry types and on schedule. Only test runs to be performed before they Open 1st Oct • First Sportive Meeting is the 24th Sept, and will be in person	
Web / IT • Contact Us still need to be selected for Website • The TurboSMTP was hacked by a spammer who managed to use up approx. 40K email sends. They were due to expire very soon anyway and before the Sportive 2026 Opens. Trevor has changed the TurboSMTP login details, and not further incursion has been seen • We need to buy another 1 year's PAYG TurboSMTP licence. Trevor will buy it and submit reimbursement form	**Graham**

KIT • Possible Spring Order to be considered • Kit was delivered to George and is being distributed to the owners of the kit	**George / Fran**
Award Day • The awards day will be 15th Nov at Fife Cycle Park (FCP) 11am till 2pm. The event will go onto Spond • Martin Harris will again organise a few cycling events before the awards presentations including timing chips for fun & games that all can win. • The awards will follow indoors at FCP with Teas, Coffee and Cakes provided. • The cost is £5 per person with the total amount be matched by the club and donated to a local small charity or charities • Full details will be put on Spond • Rider of the Year (ROTY) will open very soon again in the form of a Survey send to the members. It was decided to just open the voting for 1 week this year	**Jane** **Jane** **Graham**
GP Series • Much better attendances this year compared to last year • 14 riders completed in 5 or more events compared to 6 last year, thus maximising their points • Quite a few attended for the first time, which was great to see • Winners will be awarded at the Awards Day 15th Nov • Big thanks to all that organised and participated	
Velodrome • The Grade 1-2 velodrome was very successful and was enjoyed by all that attended. • There may be further sessions in the future including a possible grade 3-4 session	
Weekend Away Day • An idea raised by Kirsteen Durkin for a women's cycling and wellbeing weekend. Details would appear in FB & Spond	**Kirsteen**
Winter Training at FCP • Will be a mixture of cycling skills and fitness on the FCP circuit, followed by flexibility and functional strength training, held indoors. • Specific dates to be decided and added to Spond, but the range of dates will be Nov 2025 to March 2026	**Kirsteen**
Sunday In Hell • Set for 5th April 2026, spond will open nearer the time	**Brad**
CX & MTB • Callander to Killin club run to be 29th Sept 2026	**Brad**
First Aid • Any courses won't be until next year, but committee is in favour of more of them	

Chain Gang • A question from a member about chain gang sessions becoming an official club event, booked through Spond. Previous committees decided against it being a formal club event. DCC will welcome KCC members (as they do for other clubs) to their official chain gang sessions held at FCP. DCC have a Spond group	
A.O.B. • The Tripod Timing clock used for GP Series needs replaced, it has failed a couple of times at crucial moments. A new clock is to be bought	**Jane**
DONM • 28th Jan 2026
