After all the recent rain it was a very pleasant change to have a dry and warm late summers evening. At the top there was not enough wind to flutter our new chequered flags but at the start line the midges were biting well! Andy Bruce, who is becoming very difficult to beat, took another 10 seconds of his course record set earlier this year. Will anyone go sub 7 minutes next year?

Also welcome to The Abernethy contingent of Alex Kinear, Tommy Adams, Andrew McGhee and Colin Adams. Out on their first hill climb with the club.
